

Opus places full-time Latin American operators *on U.S. teams.*

- They join the team. The client manages the work.
- Long-term roles, not freelance tasks or vendor pods.
- Opus can handle payroll and cross-border compliance.

There is a *missing middle* in offshore hiring.

DEFINED TASKS

VAs handle
defined tasks.

MANAGED DELIVERY

Pods and outsourcing
firms manage delivery.

ROLE OWNERSHIP

Opus places professionals who own a role
inside the business.

Refer the company with a *real seat to fill.*

- 01 The role needs judgment, ownership, and strong communication.
- 02 Best fits include operations, finance, engineering, marketing, and customer teams.
- 03 A manager is ready to lead the hire directly.

Opus finds the person. *The client builds the team.*

FIND

Opus sources and vets experienced Latin American talent.

LEAD

The client selects, manages, and develops the hire.

SUPPORT

Opus can support payroll and local employment requirements.

Make one Opus introduction *this week.*

Q3 PARTNER CONVERSATION

A company has a full-time role to fill.

The role needs an owner, not a task-taker.

Email-introduce Opus and the hiring manager.
